Everybody loves a graduate! At no other time do we find such exuberance, vitality and eagerness! You're beginning a new kind of life now . . . and naturally, you're eager and ready for it! And that's wonderful . . . that vitality and zest for life . . . keep it! Success is made of these qualities. The most promising jobs go to the people who are most eager . . . show they have a quick mind and always make an EXTRA effort. It's human nature . . . we like to see things accomplished. So keep that vitality . . . don't let those roadblocks stop you . . . you can always go around them! Keep your exuberance . . . remember . . . everybody loves it!

YOUTH and the WORLD

"There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at its door
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled and gray,
It's a world that is being reborn every day."

Mary Helen Accatatto and Eleanor Love

Without the daily office tasks performed by Miss Eleanor Love and Mrs. Mary Helen Accatatto, office secretaries, it would soon become impossible to operate East High School efficiently.

John W. Panik

JOHN W. PANIK Assistant Principal

You have spent many years in obtaining a formal education to prepare yourself to meet and successfully solve the problems of everyday living. We sincerely hope that your study in school will not constitute your entire education.

We hope East High has developed in you the motives, habits, and skills necessary for independent study and thought, and that you recognize the value of developing the ability to plan your further pursuit of knowledge and competence.

May success and happiness be yours in whatever endeavor you pursue.

Congratulations Graduates!

DONALD HORNICKLE Junior High Principal

You now join with hundreds of others who have graduated from East High School and have gone on to work and serve in many areas of life.

You have an obligation to go forth and become independent, upright American citizens and accept opportunities for service.

"Attempt great things,
Expect great things.
Vast rivers rise from humble springs."
Good luck and best wishes for success.

BURTON HONEY
Principal

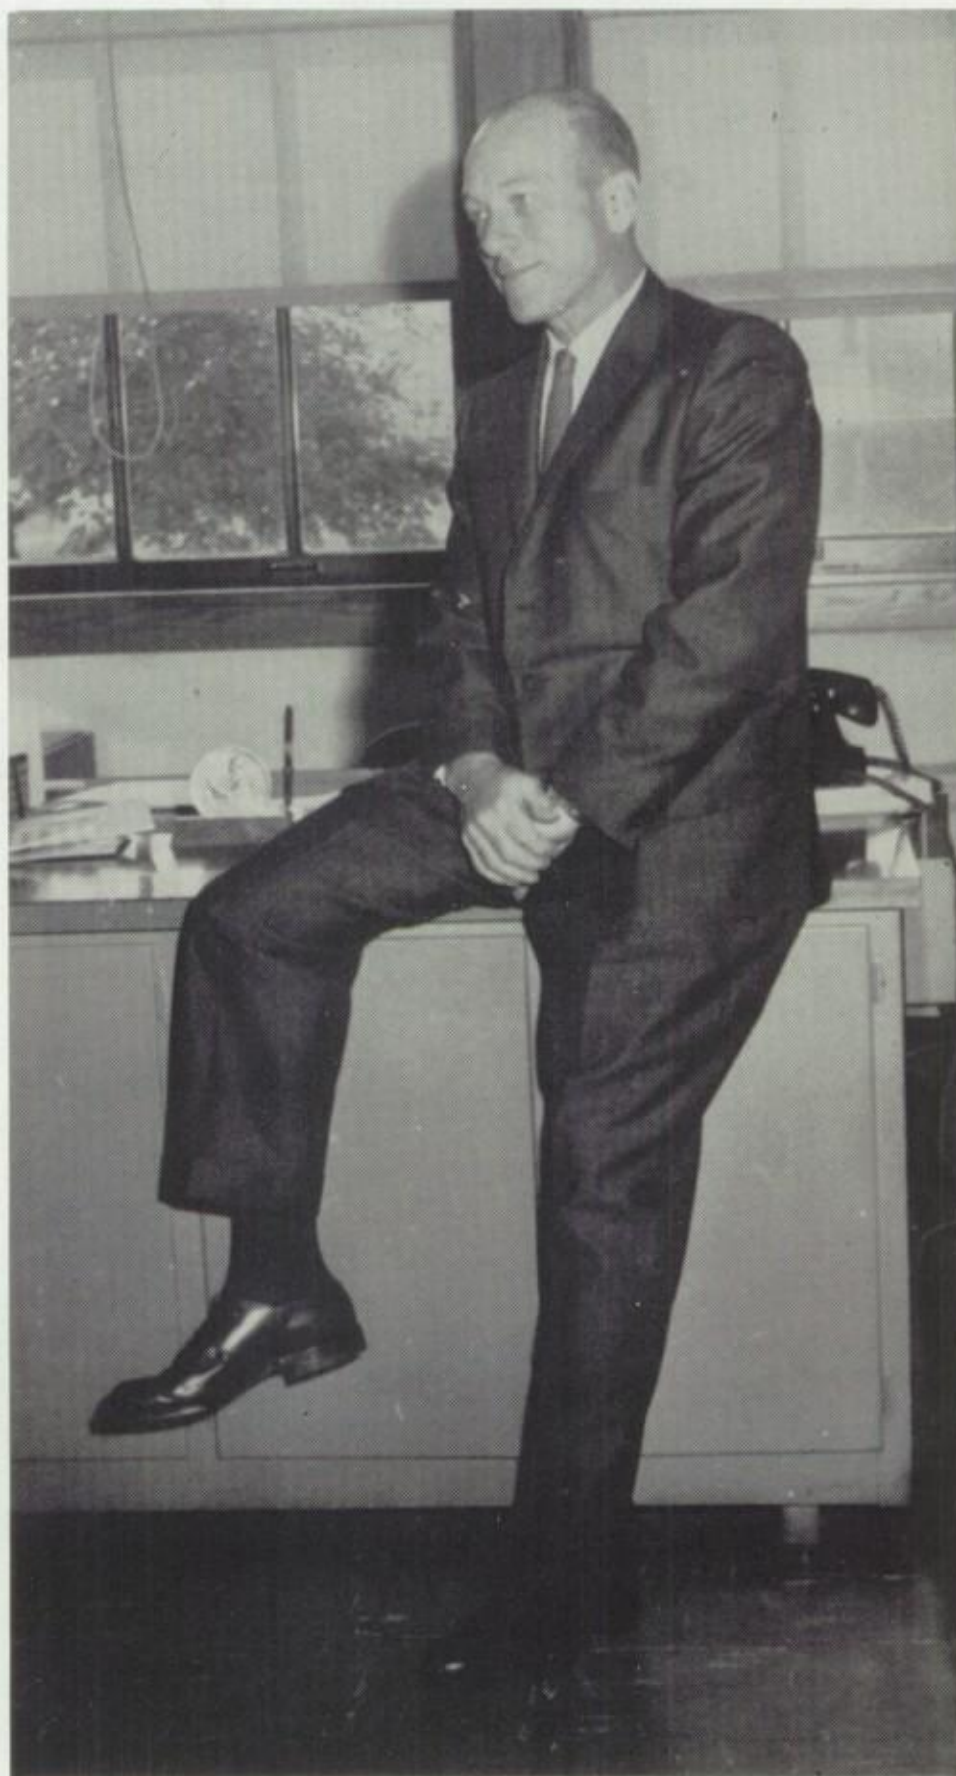

Today as never before in the history of our country has an education been so important to young people. Because of the rapid changes taking place, there are fewer and fewer places for the unprepared in our society.

In all areas of living, scientific advancements have been made. This makes it imperative that young people have the training, skills, and the intellectual capacity to cope with the complicated adult world into which they are moving.

For you who are being graduated this year, we sincerely hope that you have developed mentally, physically and spiritually to enable you to find success and happiness in the coming years.

Our congratulations to each who has seen the virtue of a firm educational foundation, and who was willing to work to make high school graduation a reality.

Janus Theme

As this year marks the Centennial of the Civil War, we are dedicating our Janus to that cause which has been so deeply riven in our history.

Long will we remember the gallant men in their deeds of glory, and the lives bravely lost for our flag's sake. The silent scouts, the dauntless samaritans . . . these are the ones about whom we know little or nothing. But without these brave men, the cause for which they fought may have never been achieved.

History of East

East is the largest Junior-Senior high school in the area with 1700 students, a faculty of 75, 69 classrooms and shops.

East High was opened in 1926 with J. W. Smith as the first principal. Construction of a new wing was started and completed in 1954. This new wing provided the pupils with a new gym, shops, an enlarged auditorium and more classrooms.

Class of 1961

This year's class of 1961 has chosen as its colors lavender and white, the carnation as class flower, and "Moments to Remember" as its song and theme.

Margaret Davis

It is with a profound sense of thanks that we dedicate the 1961 edition of our yearbook to Miss Margaret Davis, sewing teacher, and Mr. John McDougall, wood shop teacher.

Miss Davis has been a member of the faculty since 1929. She has been valued and admired as a teacher. Because of her strong character and integrity she has guided many students in becoming better citizens.

Her work with the Red Cross during the war is an indication of her willingness to help.

We, the seniors of this year, wish the best of health and happiness to you.

Sandy:

I'll never forget the day
we met it was a turning
point in my life. Everytime

I'm feeling bad you are such
a help in cheering me up. If I
didn't love you so much how
could I talk to you the way I
do. It seems everytime I'm feeling

bad you get the dirty end of the deal.

Every hour with you is like ten
minutes. When something is bothering
you it is as if it were me.

I know this is kinda mushy but
how else could I write about you.

Your so understanding and
good your like a left arm to
me because thats the one I
always use. The best to you
always. I hope we always stay
together.

Love Ray !!!!!
